

**Minutes of the DDMA meeting on Flood Damages held on 20th September, 2017 at the Conference hall of the Office of the Deputy Commissioner, Kamrup, Amingaon at 3 p.m.**

**Members Present:**

**As annexure-I**

The meeting was chaired by the Deputy Commissioner and Chairman, DDMA, Kamrup, Amingaon. At the outset, Deputy Commissioner initiated the discussions saying that the meeting was called to discuss about the flood damages as regards to the infrastructures and other damages that have taken place during flood, 2017.

(1) A departmental feasibility report and Magistrate's Concurrence report will have to be submitted to DDMA to support the authenticity of the proposals submitted.

(2) CEO, Zilla Parishad and i/c PD, DRDA said that there are no schemes as such to be submitted under SDRF for the current flood season.

(3) The Deputy Commissioner directed all the Circle Officers to take liberal views on the consideration of schemes for SDRF as far as flood damages are concerned. The Deputy Commissioner requested the Circle Officers to consult their local MLAs and the Departmental Heads before sending a proposal to DDMA for accord of approval. Henceforth it is mandatory that all Circle Officers mark a copy of the damage reports to the MLA concerned.

(4) As per notification served from the Joint Director, P& RD Deptt. vide letter No. PDDP.7/2017/Prop./39 dated 19/09/2017, if a particular road does not fall under the jurisdiction of PWD roads then the road will have to be taken up by the P&RD Deptt. under MGNREGA.

(5) The Deputy Commissioner briefed the MLA, Hajo LAC that the schemes submitted by her will be reported to the CEO, Zilla Parishad who then will verify the schemes and submit as flood damage report as per annexure VIII of SDRF guidelines.

ADC, DM & CEO, DDMA thereafter presented the slide show on the various other schemes submitted by other departments.

(6) As far as APDCL is concerned the Deputy Commissioner disagreed to approve the submitted schemes as there was no individual damage report given by the concerned Circle Officer. Also it was seen that the submitted schemes had temporary and permanent restorations combined together which is not as per norms.

(7) The Deputy Commissioner informed that the Circle Officers of Goroimari, Palashbari and Chamaria Revenue Circles should certify that any flood damage proposals submitted do not affect the FREMA Project. On the request of the Hon'ble MLA from Hajo, the Deputy Commissioner instructed all departmental Engineers to give a copy of the damaged schemes to the Hon'ble MP. He also said that the Chief Secretary has asked to differentiate departmental works and Panchayat works.

(8) The Hon'ble MLA from Hajo said that she had submitted a list of 45 schemes after consulting the Gaon Burha and taking a firsthand report of the submitted schemes. The Circle Officer, Hajo Revenue Circle clarified that out of the 45 schemes, the BDO submitted estimates for 25 schemes, 3 nos. of schemes are ongoing under MGNREGA, 3 schemes are under PWD Roads of which one has been sanctioned and estimates submitted for the other two. Six schemes are not yet identified and 8 nos. of schemes are not damaged.

(9) The Deputy Commissioner instructed all the Circle Officers to identify the unmanned railway crossings in their respective circles, which pose a serious threat to the habitational areas specially in the interior areas.

(10) The Deputy Commissioner also directed to ADC, DM & CEO, DDMA to issue letter to the Departmental heads regarding early completion of the schemes which were already accorded administrative approval and make arrangements for submission of U.C. of the schemes which were already completed and payments already made under a different financial Head of Account.

The following schemes were approved by DDMA for onward submission to Govt. for accord of sanction under SDRF. Only those proposals which have the damage report from the concerned department and concurrence report from the circle officers were placed for accord of approval by DDMA.

### Flood Damage Report Under Kamrup District

**Table A: SDRF Proposals under Permanent Restoration**

Sl No.	Name of Deptt.	Name of Circle	Name of schemes	Total Estimated Amount
